Lion Partners to Acquire Additional Investment Units of Sakura Sogo REIT

Star Asia Investment Corporation (“SAR”) and Star Asia Investment Management Co., Ltd. (the “Asset Manager”), the asset manager for SAR, received a notice today from Lion Partners GK (“LPGK”, Representative Director: Toru Sugihara), an affiliate of Star Asia Group. Currently LPGK is one of the largest unitholders of Sakura Sogo REIT Corporation (“SSR”) holding 11,971 investment units or 3.59% of total units outstanding. Details are as follows:

1. Acquisition of Additional SSR Investment Units

Based on the important reasons described below, LPGK has decided to acquire additional investment units of SSR through open-market purchases on the Tokyo Stock Exchange (TSE). Initially, LPGK will purchase a maximum amount of JPY 200,000,000 through discretionary transactions under a discretionary investment contract. Acquisitions started today with the objective to not have a large impact on the day-to-day market pricing formulation of the investment units.

- LPGK, within its proposal to merge SSR with SAR, has called for “A merger of the unitholders, by the unitholders, and for the unitholders”. By acquiring additional investment units of SSR and thereby increasing its alignment with all SSR unitholders, LPGK wants to clearly reiterate its strategy and focus on maximizing unitholders’ value for all unitholders.
- At the same time, LPGK aims to have all SSR unitholders understand that Star Asia Group is fully committed to supporting SSR.
- LPGK firmly believes by replacing the Executive Director (and appointment of Toru Sugihara as the new Executive Director) and the replacement of the asset management company (and having the Asset Manager enter into a more favorable asset management entrustment agreement with SSR), SAR’s active management strategy will be implemented for SSR’s operations as well. This will result in a much improved unitholders’ value for all SSR unitholders. There is a large gap between the trading price of SSR investment units in today’s markets and the potential value which LPGK believes the SSR investment units will have.
